

# WHY is it so hard to find a good Contractor?

Maybe because the best ones are busy with us.

Now you can find a qualified, dependable Contractor for any home improvement project *without* calling around, checking around or waiting around. The solution? **HOMENET Solutions** – the FREE Contractor referral service created *for* homeowners *by* homeowners. With just one call you'll have the name of a Contractor who's been pre-screened and matched to your project needs within 24 hours! No more research, no more guess work, no more wasted time or money. **HOMENET Solutions** does it all for you.

## Before any work begins, we've already done our homework.

With a network of hundreds of specialized Contractors, **HOMENET Solutions** has the resources to find you the right person for the job, quickly and easily, whether the job is building a deck, painting your home, or building a home addition.

To ensure that all Contractors affiliated with **HOMENET Solutions** meet our stringent requirements, they must pass our *Qualified Contractor Screening*. We screen for all the things you'd want to know about anyone you'd trust to work on your home:

- Is he reliable and priced competitively?
- Does he do quality work?
- Is he responsive to customers and respectful of their property?
- Does he have the necessary insurance and licenses?

Our screening process also includes personal interviews, extensive reference checks, customer satisfaction surveys, and ongoing monitoring to ensure that Contractors continue to live up to our standards, and more importantly, yours.
